

## GOVERNOR OF THE MONTH: Kathryn Ratcliffe

I have been a parent governor at Molescroft Primary School for just over five years, (currently serving in my second term of office) and I have been a parent at the school for twelve years. I have three children; Megan aged sixteen years and Lewis and Cerys, my eight year old twins, (currently in year four). I work as a primary school teacher and have done so for almost twenty years; I currently teach full time at Walkington Primary School, where I have taught for the past twelve years.

Originally from Standish, near Wigan in Lancashire, I moved over to East Yorkshire in 1998 when my husband changed jobs and we relocated to Beverley. It was daunting to move to an area which we knew nothing about, but we fell in love with beautiful Beverley, made a life here and have never looked back. It was by sheer chance that we bought our first house in the catchment area for Molescroft School and it was clearly a very lucky move. I feel privileged that my three children have been able to attend such a wonderful school and have received such an amazing start to their learning journey.

Having a passion for watching live musical theatre, I am completely overwhelmed each year by the school's wonderful theatre club performances. It amazes me how such complex shows can be performed by primary school aged children to such a high standard. Since my eldest daughter performed in her first theatre club show back in 2009, I have been lucky enough to have seen many of the school's outstanding shows and I am very much looking forward to watching Lewis and Cerys performing in their first Theatre Club performance of Starlight Express this summer.
