

PROFESSOR GONZALO VILLALTA PUIG **GETTING TO KNOW OUR GOVERNORS**

Following the 2016 Parent/Carer survey, it was suggested that in order to help parents to get a better knowledge of the governing body, a feature should be included in the newsletter. This month it is our newest governor, Professor Gonzalo Villalta Puig.

“I am your newest Governor. I am the parent of a child in Reception Year. I work at The University of Hull as a Professor of Law. My family and I moved to Beverley recently, after several years abroad. When I am not lecturing and writing papers, I like to be around my family. I love tennis and we all play the sport. We also like to go to the movies.

I think that the School is world-class and compares very well with international schools around the world. The School is a very happy community, the teachers are always supportive and passionate to bring out the best in every child. It is an asset to the neighbourhood and to the entire town of Beverley.”
