1. INTRODUCTION

Crofty's Breakfast Club opened in January 2009. After a consultation period supported by the Beverley Extended School's Coordinators considerable interest was shown in the venture and from consultations a clear need demonstrated. Only children attending Molescroft Primary School can attend Crofty's Breakfast Club.

2. AIMS AND OBJECTIVES

To provide a Breakfast Club which supports working families by providing a safe healthy and useful environment for pupils from 8am to 8:40am on school days.

The club will:

- Be well used and valued by child and adult clients.
- Impose no extra burden on the smooth running of the day

The club is not providing the same service as full private pre/post school provision. The school is not competing with the full range of activities that these providers arrange. Also note the Breakfast Club is only open on school days.

3. ANTI - DISCRIMINATION

The club is subject to the same policies and procedures that apply to the school's Race and Equality Policy. It is subject to the same procedures regarding the reporting of any incidents which are discriminatory in any manner, based on Race, Nationality, Gender, Disability or Sexual Orientation.

Most importantly:

- All staff, teaching and non-teaching, should be vigilant in class and in the playground at all times, in order that discriminatory behaviour does not go undetected
- All staff should investigate any allegations of discrimination and take the child's concerns seriously. Discriminatory attitudes must be challenged
- All staff should take action as soon as possible and ensure that all interaction is carried out privately, i.e. away from the group
- Staff should remain calm and take time to listen impartially to all involved
- Staff should avoid labelling pupils such as 'racist' and 'victim' – after an incident both pupils may need support to rebuild or reinforce self-image and esteem
- All reports of discriminatory incidences must be recorded and a note made of any action taken. The school will invoke sanctions as detailed in the Good Behaviour Policy
- Information relating to all incidences of discriminatory behaviour will be forwarded to the local education authority on a termly basis. This data will be used for analysis.
