

Molescroft Primary School Overview of SEND Provision September 2022

OUR VISION STATEMENT

At Molescroft Primary School;

We aim to sustain and continue to develop a community based on positive attitudes, a promotion of excellence and a celebration of achievement.

**A valued environment in which
“everybody cares, everybody learns, and everybody matters”.**

OUR UNIVERSAL OFFER (Wave 1 Quality First Teaching)

Our school values;

“everybody cares, everybody learns, and everybody matters”;

underpin our curriculum and is the driver for everything we do at Molescroft Primary School.

We believe;

Learning is exciting.

Learning is fun.

Curriculum is an entitlement.

Curriculum is extended.

In High standards.

Molescroft Primary School Overview of SEND Provision September 2022

TARGETTED SUPPORT (WAVE 2)

For children who are working below age related expectations, we use some targeted interventions, to support them to make accelerated progress. This can often be provided through pre-teaching and small group intervention programmes at the very start of the day. Some children are targeted for class teacher support in class, including same day marking and response time to ensure they “bridge the gap” and “keep up”. These children are routinely discussed at staff meetings to ensure they maintain progress and to help them achieve in-line with their peers.

SEN SUPPORT (WAVE 3)

For children identified on SEN Support, provision is carefully designed, implemented and reviewed using our best endeavours to meet the child’s needs. The SEN support follows a clear assess, plan, do, review cycle, following the guidelines in the Code of Practice using a graduated response and approach. We aim to work closely with other professionals and outside agencies in order to ensure each child is happy, well supported and making progress towards agreed targets. Our aim is to work closely with the child at the heart of everything we do, alongside a close partnership with parents.

EDUCATION HEALTH and CARE PLANS (EHCPs Wave 4)

An EHCP is for children and young people up to the age of 25 who need more support than is available through special educational needs support. EHC plans are statutory documents that identify educational, health and social care needs and set out the additional support and/or resources to meet those needs.
